Subject: Construction Contract Templates
Memo No. 17-2017

Of Counsel
Robert J. Henry
Margaret M. Merchat

It has come to our attention that some school districts are using older versions of our template construction contracts (P.O. Attachment, Small Job 1, Small Job 2, and Large Job). We have made several revisions to these template contracts over the last few years based on changes in the law, so school districts are strongly encouraged to use our most up-to-date versions. Please contact us to obtain a copy of the most current version of these templates.
